![Lightning Bolt - A PerfectServe® Company]

Enhance Epic With Lightning Bolt

## For Simpler, Better, and Faster Workflows

Integrate Lightning Bolt with Epic to deliver real-time schedules across the Epic ecosystem. Improve schedule efficiency, increase provider satisfaction, shorten communication cycles, and quicken speed to care.

- Access the Latest Schedules in an Instant
- Locate and Contact the On-Call Provider With Ease
- Launch Secure Communications to Providers

Deliver Real-Time Schedules Across Epic

Locate and connect with the on-call provider from your mobile device in just three easy steps. Simply go to today's on-call schedule, select the provider you want to connect with, and invoke Secure Chat with a single click.
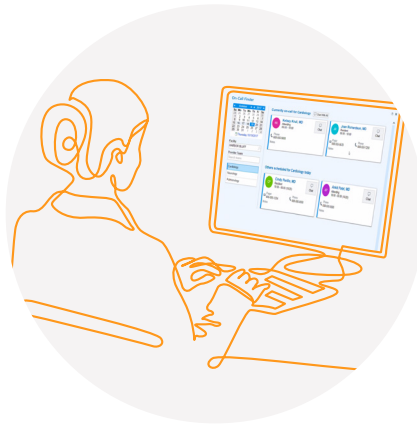

About PerfectServe

PerfectServe offers unified healthcare communication solutions to help physicians, nurses, and care team members provide exceptional patient care. PerfectServe's cloud-based solutions enhance patient safety and reduce provider burnout by automating workflows, speeding time to treatment, optimizing shift schedules, empowering nurse mobility, and engaging patients in their own care.
